

Nexus fall arrest 2 point harness, QC

H32Q

**Fall arrest and restraint harness with additional padding and quick connect buckles.
Suitable for all general work at height.**

Features:

- Contoured fit for comfort and freedom of movement
- Quick connect leg and chest buckles
- Contrasting colour leg and torso webbing
- Shoulder and leg pads

Unique stainless steel chest plates orientate the webbing for secure fit and optimal comfort.

Quick connect leg and chest buckles make fitting fast and easy. As the buckles do not need to be slackened to remove the harness readjustment is not required every time it is worn. Shoulder buckles allow quick and easy adjustment with one hand.

Contrasting colour of leg and torso webbing assists correct fitting of harness for less experienced user.

Shoulder and leg pads for increased comfort. Shoulder pads help to prevent tangling for quick and easy fitting.
