

Sentinel cover - 0.5m

MR705P

Grey TPU cover for use with Sentinel Chainmail rope protector

Optional secondary TPU (thermoplastic polyurethane) cover for use with heightec's Sentinel Chainmail Rope Protector (MR705).

The secondary cover can be attached to the Sentinel by standard hook and eye velcro and wrapped around the Sentinel to offer additional protection when used next against painted or high gloss surfaces.

Once fitted, the Sentinel can be opened and closed as normal.

- Simple and quick to install
- Flexibility provides easy placement
- Protects sharp edges and surfaces from wear and tear
- Supplied with velcro fastening to attach to the Sentinel Chainmail Rope Protector

Also available: Clear plastic cover (MR705C)
