

DUON visor - clear

MH51

Visor and standard stickers for DUON helmets

Retractable visor available in clear MH51 or tinted MH52

Conforms to EN 166 1S

Low profile Aviator style visor lifts up above the helmet brim when not in use.

Can be fitted by the user (requires 4 holes to be drilled) alternatively, a fitting service is available from heightec YFITMH5. This service is available on new items at the time of despatch.

Helmet stickers

In addition to the bespoke marking service the following standard stickers are available:

MH81 - Clear

Set of all 6 panels which provide a base layer to allow the user to write on or apply other stickers to the helmet.

MH82 - Reflective

Set of all 6 panels in plain silver reflective finish to aid visibility.

MH83 - First aider

The above text with internationally recognised cross on green background. Sold in packs.

MH84 - Inspection record

Allows you to record inspection details. Sold in packs
